

## night intensive cream

The active ingredient complex stimulates the skin's own renewal process overnight, making the skin smoother and suppler.

- Supports and protects the natural barrier function of the skin's acid mantle
- With the pH value of 5.5 of healthy skin

#### Product features:

- Calms flare-ups, irritation and tension
- The rich lipids of jojoba oil support a lasting improvement in the elasticity and smoothness of the skin
- 3% rapeseed phytosterols protect against dehydration, relieving itching, tension and burning sensation in the skin
- Active ingredient phytosterol equivalent anti-inflammatory effect to cortisone, but without the side effects
- Easily absorbed, no greasy residue
- Stabilizes the moisture balance of the skin
- pH 5.5
- Clinically tested

Content: 50 ml
