

day defence cream

Provides dry skin with the optimal combination of active ingredients to replenish and balance the moisture content of the skin.

- Supports and protects the natural barrier function of the skin's acid mantle
- With the pH value of 5.5 of healthy skin

Product features:

- Concentrated rapeseed phosterols calm sensitive dry skin to relieve tension and irritation
- The rich lipids of avocado oil and its high content of vitamin A+E provide dry skin intensive care
- Optimal active ingredient combination replenishes and balances moisture content
- Calms flare-ups
- Effective defence against additional detrimental impacts
- Restores equilibrium for improved elasticity
- Preceptibly smoother and suppler skin
- Vitamin E neutralizes free-radicals
- Rapidly absorbed
- Clinically tested
